Bert Jacobs, LPL Focus conference

Who: founder of **Life is Good**

Where: LPL Focus conference, Boston, July 2017

“He came across as a very genuine, all-around nice guy. No pretense, no drama none of the pomp and arrogance that comes with being the leader of a wildly successful company. And I've been around for a while, I can smell BS from the colon of a bull a mile away. This guy was genuine.

Very down to earth and I think the people that work for him are very fortunate.”

-Kashif Ahmed, president of American Private Wealth
